NIRAMAX GROUP LIMITED &/OR NIRAMAX RUBBER PRODUCTS LIMITED INSURANCE CERTIFICATION

We have pleasure in providing details of our client's liability insurance arrangements. The purpose of this document is to demonstrate that Niramax Group Limited carry a range of insurance policies designed to offer comprehensive insurance protection.

They do have further policies, and an in-depth study of Niramax Group's requirements, together with their customers, means the policies are suitable and wide enough for today's challenging commercial requirements.

Point of Note: There are many insurance contracts available within the UK today – many are with companies who are based abroad trading on a passport arrangement into the UK – many offer uncertain, fragile security with onerous clauses and conditions.

On a formal basis we would point out our clients insurers are ABI approved, and members of the Financial Services Compensation Scheme. We are BIBA members, ISO9001 accredited and NEBOSH/IOSH qualified. In today's turbulent financial markets, you are in very safe hands.
